EDUCATION

Blessing-Rieman College of Nursing

Broadway at 11th, Quincy 62301

217.228.5520, Extension 6961

800.877.9140 | Fax 217.223.4661

www.BRCN.edu | E-mail: dgallagher@culver.edu

Blessing-Rieman College of Nursing, founded in 1891, is an NLN-AC accredited college offering a Bachelor of Science in Nursing degree jointly with Culver-Stockton College or Quincy University. Students receive a liberal arts education on a typical college campus and nursing education on the campus of a regional medical complex. Nursing classes begin in the Freshman year. A separate track is available for RN and LPNs seeking the BSN degree. Our modern facility includes a computer lab and nursing skills lab.

John Wood Community College

1301 South 48th Street, Quincy

217.224.6500 | Fax 217.224.4208

www.jwcc.edu

John Wood Community College offers baccalaureate transfer and occupational/technical degrees, as well as professional development and personal interest courses. The Center for workforce Development provides training opportunities for area businesses. The College's Open Learning Center and satellite campuses provide maximum convenience for students throughout the district. Extracurricular activities in sports and the arts are also available to students. The college has entered an exciting new phase with the 1998 opening of the Science & Technology Center, located at 48th & Harrison Streets.

Quincy Area Christian School Association

PO Box 3643, 2017 Longlett Drive, Quincy

217.223.5698 | Fax 217.223.5724

E-mail: www.Qacs@bcl.net

Quincy Christian School desires to be an extension of the home and church by providing the highest levels of intellectual and spiritual learning. Our goal is to equip each child with the necessary tools to effectively pursue the vocation to which God will lead.

Quincy Catholic Elementary Schools

www.quincycatholicsschools.com

Quincy Catholic Elementary Schools (QCES) have offered quality education for more than 150 years. Our four schools continue this tradition, offering a full range of educational opportunities from pre-kindergarten through the eighth grade. Students receive a solid, value-based education centered on core curricular subjects supplemented

by a variety of extracurricular activities such as the arts and sports. Before and After School Care Programs are also offered. More information is available by contacting the schools.

Quincy Notre Dame High School

10th & Jackson Streets, Quincy

www.quincynotredame.org

Educating the whole person—academically, religiously, socially, and physically—is the goal of this 130-year tradition of the Quincy community. The learning from a strong academic and religious studies curriculum and the acquisition of life skills from participation in a multitude of extracurricular opportunities form successful graduates. Education takes place in a Catholic, value-centered environment. Concern for the growth of the entire person is the essence of this institution. Please call 217.223.2479 for additional information.

Quincy Public Schools

1444 Maine Street, Quincy

In its journey towards excellence the Quincy Public School system strives to deliver quality education which attracts residents, employers, and staff through fiscal responsibility, cooperation with community, partnerships with business and other processes; strives to stimulate teachers and students by utilizing state of the art methods which allow children to become enthusiastic, responsible adults; and strives to discover and develop each student's gifts, meet his or her individual needs, and prepare each to contribute positively and productively in a diverse and changing world. In a safe and secure environment, each student in the Quincy Public School District will develop into a lifelong learner with the skills and knowledge necessary for the next steps in life. To learn more contact 217.223.8700.

Quincy University

1800 College Avenue, Quincy

www.quincy.edu

Quincy University is a private co-educational liberal arts university founded in 1860 by the Franciscan friars. The extensive internship program and liberal arts-based curriculum prepare students for their chosen fields. Numerous opportunities for leadership outside the classroom encourage students to take an active role in society. NCAA Division II sports, intramurals and 30+ campus organizations are part of an active campus. QU offers 33 bachelor's degrees and four master's programs. WQUB 90.3 FM, radio broadcast service of QU, offers the community the best in public radio programming. Information about admission, athletic events or extracurricular programs is available by contacting 217.222.8020.

Vatterott College

501 North 3rd Street, Quincy | 217.224.0600

Vatterott College, founded in 1963, is accredited by the Accrediting Commission of Career Schools and Colleges of Technology. Thirty-four years of career training have placed thousands of successful graduates in jobs throughout the nation. Vatterott College offers practical, specialized, hands-on training in the areas of Automated Office Skills, Heating, Air Conditioning and Refrigeration; Automotive Mechanics and Electrical Mechanics. Assistance with career placement, housing and part-time jobs are available on campus. Information on our specific career training programs is available by calling 1.800.438.5621.
